Please e-mail the Bus Coordinator with any questions at globusco@glocschools.org or call 401- 568 - 6206 x 239. All permanent or long-term bus transportation changes must be e-mailed to globusco@glocschools.org. ***Any short term/daily changes: all parents/guardians must fill out a bus consent form. The bus consent form is located in the main office. The student will bring it to school and pass it on to the main office. This must be done or no change will be allowed.**

The Bus Coordinator **cannot** determine bus pick-up or drop-off times for the first day of school. It takes about 2 weeks for bus drivers to be able to estimate bus arrival times. For your convenience, estimated times have been added to the bus routes.

When calling with questions about your child's bus, please use the ROUTE number as listed below. Not the bus number.
