**Please Note:** Students may only ride on the bus assigned to them. At this time they will not be able to ride on another students bus.

The nationwide bus driver shortage could lead to changes in the drivers' routes. If we don't get the number of bus drivers that we need, we will need to combine more routes and/or make other adjustments.

On behalf of the bus companies, they would like to thank you for all your support and patience.

**Please Note:** RT43 was split between RT47 and RT55
